September 2011 League

As you will be aware we will soon be registering the team in this years league.

St. Andrews historically joins the "Bury & Bolton District Football League", however as you may be aware our sister team "the Devils" have expressed a preference to join the "Stax -City Of Salford League".

Although we are different teams, a large number of the children attend the same schools and are close personal friends so to keep together I feel would be advantageous.

As this will affect us all, Steve and I would like to invite you all to have a look on each of the leagues websites and to drop me a line via email with thoughts and/or indication of your preference.

Team News

It has become clear that due to the excellent attendance level for each team (28 in total with a waiting list), that fairly managing parents and players expectations for time on the field in a 7 aside league will be extremely difficult, if not impossible.

Therefore the decision has been made to create a 3rd team, and to be clear, this will NOT create a 1st, 2nd and 3rd team based on ability.

This process will involve 3 to 4 players each from the All Stars & Devils, amalgamating to form this new team with the possible addition of those on the waiting list.

This will obviously create the following additional positions and we are asking for volunteers as follows:

Team Manager
Team Coach
Parents Representative

100% support will be provided by the Chairman (Chris Varma), myself, Kevin & both Steve's to ensure the team is set up with full comment.

The team would be it's own cost centre and will be full equipped by the club.

If anybody is interested in taking up any of these rewarding positions please let us known as soon as possible.
